Members of CPCU Society:

On behalf of some very fortunate patients and families at Riley at IU Health North Hospital, I want to thank you for your amazing donation. Your generosity is so appreciated every year. We are truly blessed to have been chosen by your group.

It is not easy to have a child in the hospital. Families have so much to be concerned about, and it is even more difficult at this time of the year. It is, therefore, truly a blessing when a group such as yours brings such lovely gifts. You helped our families forget their concerns and feel the love and peace of the holiday season.

Thank you for helping us take better care of our patients and families. I look forward to working with you in the future. You are an awesome group of people!

Sincerely,
